<u>Company</u>		<u>Amount of Quote or Bid</u>	
1. Ryan Contracting Company		\$ 265,902.00	
2. Midwest Asphalt Corporation		\$ 266,236.00	
RECOMMENDED QUOTE OR BID: Reject all bids			
GENERAL INFORMATION: This project is to construct bump-outs at the intersections along Wooddale Avenue, between West 50 th Street and Valley View Road. This project was requested by the City Council at the May 15, 2012 Public Hearing for the bike boulevard project due to concerns of bicycle traffic traveling the wrong way in the parking bays. Staff did not realize the expense of the project due to the storm sewer modifications and small patching that is involved with this type of work. This project is not funded in the Capital Improvement Plan. Therefore staff is recommending rejecting all bids due to lack of funding. The bump-out areas will be stripped and staff will be educating the public to not travel incorrectly in the parking lanes.
